

Corporate Supporters to CIVIL SERVICE WEEK

The Ministry of Finance & The Public Service (MOF&PS) in collaboration with the Jamaica Civil Service association (JCSA) through the Civil Service Week Steering Committee, would like to take this opportunity to thank all the Corporate Supporters to Civil Service Week who have assisted in making the event a success.

We could not have done it this great without you. It is a certainty that all your efforts, encouragement and presence were well received and appreciated by both employees in Public Sector and members of the public who participated.

Thank you for your unreserved support as we continue to improve by: “Driving Change...” while “Celebrating Excellence...” towards an even more “...Transformed Public Sector”.

Kudos to you all!
All the best for the coming season!
