Civil Service Week

November 18th - 23rd, 2018

THE CIVIL SERVICE WEEK MAGAZINE PAGE

As per custom for the last 27 Years Civil Service Week (CSW) is Celebrated during the 3rd week of November.

This wonderful occasion was approved by our then Governor General, The Most Honourable Sir Howard Cooke

CSW was negotiated by the Unions that Civil Servants should be afforded the opportunity to highlight their talents, skills and awarded for their excellent performances.

We are expecting better things this year and would like you to join hands with the CSW Steering Committee in lifting our high standards and great worth so others can see

Let's make it our priority this year to celebrate CSW!
